Usama Ahmad (BCSF15A025) s/o Rehmat Ullah was my student during his BS(Hons) in Computer Science at Punjab University College of Information Technology (PUCIT), University of the Punjab Lahore. I taught him Operating Systems and System Programming courses.

Usama is a hard-working and obedient student. He has shown his abilities in problem analysis and problem solving. He enjoys a pleasant personality and possesses good communication skills.

I wish Usama all the best for his higher studies. I see esteemed qualities of innovative competences in him as a researcher.

Sincerely,

Dr. Muhammad Arif Butt
Assistant Professor,
Department of Data Science,
University of the Punjab, , Lahore, Pakistan.
