TO WHOM IT MAY CONCERN

Usama Ahmad (Roll Number: BCSF15A025) s/o Rehmat Ullah was my student during his BS(Hons) in Computer Science at Punjab University College of Information Technology (PUCIT), University of the Punjab Lahore.

I taught him Artificial Intelligence course. Usama is a hard-working and obedient student. He has shown his abilities in problem analysis and problem solving. He enjoys a pleasant personality and possesses good communication skills.

I wish Usama all the best for his higher studies. I see esteemed qualities of innovative competences in him as a researcher.

Warm regards,

Dr. Mian Muhammad Mubasher
